## CHOIR: SANTA CLAUS IS COMING TO TOWN

...is a well know and highly popular Christmas Song. It was written by John Frederick Coots & Haven Gillespie and was first sung on Eddy Cantor's radio show in November 1934. It became an instant hit with orders for 100,000 copies of sheet music and more than 30,000 records sold within 24 hours.

## CHOIR: FROSTY THE SNOWMAN

...is a popular song written by Walter 'Jack' Rollins & Steve Nelson, and first recorded by Gene Autry and the Cass County Boys in 1950. It was written after the success of Autry's recording of Rudolph the Red-Nosed Reindeer the previous year. Rollins & Nelson shipped the new song to Autry, who recorded 'Frosty' in search of another seasonal hit. Like 'Rudolph', 'Frosty' was subsequently adapted to other media including a popular television special. The song supposedly takes place in White Plains, New York or Armonk, New York. Armonk has a parade dedicated to Frosty annually. The song recounts the fictional tale of a snowman that is magically brought to life through a silk hat that a group of children find and place on his head. Although Frosty enjoys roaming throughout town with the children who constructed him, he runs afoul of a traffic cop and leaves town, promising he will be back again someday.
